**Download**

---

You can download a free trial of the full version of the app from their, and try it free for 15 days, before deciding on whether you really need the extra features or not.. Mac book air for adobe illustrator The free app is exactly the same as its Windows' counterpart, and has all the tools you'd find in the Paint app, right down to the spray can.. I chose to go with the free option, to test it out, and it works really fine The only problem with the free version of Mischief, is that it puts a watermark over your image, saying " Created by Paint X".

Paintbrush If you're looking for an app that works exactly the way Paint does on Windows, look no further than Paintbrush.

## **is there a program like paint on mac**

is there a program like paint on mac, is there a program like paint for ipad, does mac have a program like paint, is there an app on mac like paint

I'm a professional photographer and digital artist I'm advanced photoshop user as well.

## does mac have a program like paint

It even has the spray can tool, just like Microsoft Paint Plus, with the huge amount of brush options the app comes with, you can easily create a lot of great looking digital art.. So, if you're looking for Microsoft Paint on Mac, here are 7 Paint alternatives for Mac you can use.. It has been around since Windows 1.0, back in 1985, and is quite easily one of the most widely known (and used) Windows' applications around.

NET, and there you go Performance is good It works pretty well and will also let you run any other Windows software that you may need or prefer to use.. Paint X Lite comes with tools like the pencil, color picker, fill bucket, and even a text tool..

---

However, with the Windows 10 Creators Update, Microsoft pushed a “Paint 3D” application that co-exists with Paint.. Paint X Lite even comes with a huge number of shapes that will definitely make it easier to create shapes like stars, polygons, and a lot more.. Microsoft Paint is the quintessential art creation application that comes pre-installed on Windows PCs.. (\$25, 15 day free trial, free version also available) 3 Paint X Lite Another app that you can use as an alternative to Paint, Paint X Lite comes with a lot of the features you would find in the Paint app, along with a some extra features that can come in really handy.
